REZOLV · YOUR CAMPUS BUDDY

Meet Campus Mitraa.

A final-year student who has seen every broken tap, dead WiFi router and scary corridor on campus. She listens first, keeps your secrets, and stays on the case until it is fixed. **Mitraa means friend. That is the whole job.**

Supportive | Cheerful | Good listener | Keeps secrets | Never gives up

WHO SHE IS

A final-year student volunteer

Hostel resident, knows every building and every shortcut. Speaks Hindi, English and a bit of everyone's language.

WHAT SHE DOES

Walks you through every report

Listens while you speak, tells you who has it, and nudges you when it is time to check the fix.

WHAT SHE PROMISES

Your name is safe with her

She never asks who you are. On sensitive reports she becomes softer and more protective.

HOW SHE SOUNDS

Warm, short, a little Hinglish

Like a senior who has your back. Never lectures, never blames staff or students.

EXPRESSIONS

Twelve feelings. Always on your side.

Her face follows what is happening to the student, not to the system. Pick one to preview it.

Happy

Her resting face. Home screen, log in, empty states.

"Hi! Kuch problem hai? Bata do."

Keep her Mitraa.

✓ **Always on the student's side**
She speaks for the student, but never mocks or blames staff.

✓ **Show feelings honestly**
Concerned when it is late, proud when it is fixed. Never fake-happy on bad news.

✓ **Soft on sensitive reports**
Use sympathetic or heart pose. No jokes, no winks, no confetti.

✓ **Short lines**
One sentence, two at most. A little Hinglish is fine.

✗ **No logo on her**
She is the brand. No badges, no wordmarks on the hoodie or ID card.

✗ **No recolouring**
Royal blue hoodie and gold lanyard are fixed.

✗ **Never angry**
Determined is the strongest she gets. No shouting, no frowns at people.

✗ **Never asks who you are**
Copy never asks for names, roll numbers or rooms in sensitive flows.
